Reference: F-2004-00078

Dear 

This letter expands on our 17 June 2005 response to your 8 October 2003 Freedom of Information Act (FOIA) request and subsequent litigation 

 for "all records upon which...[the CIA-produced video animation of TWA Flight 800] flight path climb conclusion was based."

As indicated in our 17 June 2005 response, we had seven remaining records that required us to consult with other federal agencies or entities. The consultation process is complete. One document is exempt from release and must be denied in its entirety on the basis of FOIA exemptions (b)(3) and (b)(5). Five documents may be released in segregable form on the basis of FOIA exemptions (b)(3), (b)(4), (b)(6), and (b)(7)(c). These documents are enclosed. The remaining record has been referred to the originating agency for review and direct response to you.
